Phone Number				
Email Address				

Please address each of the following areas in your nomination, adhering to the sequence below when possible:

- Use of good construction management techniques and completion of the project on schedule.
- Safety performance and demonstrated awareness of the need for a good overall safety program during construction.
- Community relations as evidenced by efforts to minimize public inconvenience due to construction, safety precautions to protect public lives and property, provision of observation areas, guided tours, or other means of improving relations between agency and the public.
- Demonstrated awareness for the need to protect the environment during the project. This includes any special considerations given to particular environmental concerns raised during the course of the project.
- Unusual accomplishments under adverse conditions including, but not limited to, age or condition of the facility, adverse weather, soil or other site conditions over which there is no control.
- Additional conditions deemed or importance to the public works agency, such as exceptional efforts to maintain quality control and, if value engineering is used, construction innovations as evidenced by time and/or money saving techniques developed and/or successfully utilized.
- Use of alternative materials, practices, or funding that demonstrates a commitment to sustainability and/or use of sustainable infrastructure rating system or the equivalent.

Please note that supporting documentation is limited to 20 pages, exclusive of photographs and nomination form.
